

Help us distribute our Education Report Card!

Council is busy preparing for the ACT Election in October to ensure the best outcome for schools. We will be grading the major parties against our priority areas on an 'Education Report Card' to help guide voters (this one is a draft, awaiting grades!).

Let us know how many you need to send home with students or handout on election day (or simply an electronic copy for your newsletter or Facebook page) below and we'll get them to you (complete with grades!) in time for the election.
