

Our Vision

To build the school communities of tomorrow
- a 'village' where parents and schools value educational outcomes and community partnerships based on mutual respect & trust.

Our Mission

To engage and empower parent associations to engineer inclusive, resourceful and collaborative school communities.

Our Values

**Accountability
and
transparency**

**Leadership
and
influence**

**Belonging
and
inclusion**

**Trustworthy,
respectful and
thoughtful**

**Community
and
collaboration**

**Equality
and
fairness**

**Determination
and
resourcefulness**

Our Goals

2022-2026

1

Continue contributing to the ongoing improvement of ACT's public education system by providing a strong parent voice and leadership for school communities.

2

Provide quality assistance to member organisations in achieving their objectives.

3

Deliver effective advocacy on behalf of members and community to government based on clear policies & positions informed by evidence-based research & genuine consultation with members.

4

Operate a well governed and effective organisation, delivering quality services to members.

5

Lead and encourage the participation of parents and carers in childhood early learning and schooling.
