

Canberra's Spring School Fetes 2022, (public schools)

Saturday 22 October

Latham Primary School Fete

3-7pm

This year we are celebrating 50 years of Latham Primary School at our annual Fete, which will include an anniversary exhibition featuring stories of past and present students, memorabilia and more, housed within the walls designed by the iconic architect, Enrico Taglietti AO. The exhibition has been designed and curated by University of Canberra students studying Visual Communication Design and Cultural Heritage in the Faculty of Arts and Design. **The Fete will have a distinctly "spring picnic" vibe with outdoor seating areas in our Foodies Delight area, and showcase local makers and the entrepreneurial endeavours of some of our own Latham Learners in Market Lane.** Come along for a relaxed afternoon of good food, fun and entertainment.
